

Rural Livestock are looking for an experienced Livestock Agent to join our team. This is a full-time position with a current client book and will be based in Oamaru or surrounding area.

About us

Rural Livestock Ltd is a prominent player in the agricultural sector, specialising in livestock transactions, sales, and procurement. With a commitment to professionalism, efficiency, and client satisfaction, we are seeking a dedicated individual to join our team as a Livestock Agent.

Qualifications & experience

- Excellent communication skills, both verbal and written, are crucial for effectively engaging with clients and colleagues
- Tertiary qualifications or relevant training in agriculture, or a related field are highly desirable, showcasing a commitment to continuous learning and a deep understanding of industry best practices.
- Practical experience and academic expertise will enable the candidate to excel in navigating the complexities of the agricultural and livestock sectors.
- The successful candidate must demonstrate proficiency in livestock handling, showcasing an understanding of animal welfare and effective management throughout the buying and selling of livestock

Tasks & responsibilities

- The successful candidate must demonstrate proficiency in livestock handling, showcasing an understanding of animal welfare and effective management throughout the buying and selling of livestock.
- Exceptional customer service skills are essential, as the role involves building and maintaining positive relationships with clients.
- Auctioneering skills will be required.
- Strong reporting around accurate livestock transactions is a must, with the ability to communicate with fellow team members.
- An acute awareness of health and safety protocols in agricultural settings is vital to ensure the well-being of both personnel and livestock throughout all aspects of the role.

Benefits

- Remuneration is aligned with industry standards
- Company vehicle with all additional costs
- Life Insurance
- Access to competitive Health Insurance after 6 months of employment
- Phone
