

Final Release of Argyle Quarter Horses

Tender Now Open

DOCUMENT UPDATED 8 SEPTEMBER 2025

Rare Opportunity

This is your chance to own a piece of the Argyle legacy.

Now offered for sale are the final horses from the renowned Argyle Quarter Horse Stud, established by the late Julie Andrews.

Youngstock are sired by **Argyle Major Ace**, a direct descendant of **Major Prescription**, the celebrated Australian import known for his exceptional working and performance lines. Fantastic potential for work, sport, or future breeding.

The collection includes:

- ▶ 3x yearlings, 2x two-year-olds and 5x three-year-olds all unbroken with minimal handling – a clean slate, ready to be trained your way, without the influence of prior habits.
- ▶ A seven-year-old gelding who has been started as a youngster and turned out.
- ▶ A Pepto broodmare in foal, who had a reputation as a great saddle horse with a lovely temperament.
